## Transmobility

The new way for seniors to get around: Reliable, door-to-door transportation

By Wendy Meyerson Vogeley  
 Correspondent

If your wheelchair bound or unable to drive, there's a brand new service in town designed just for you. Transmobility is a door-to-door transportation service that provides safe, reliable transportation. Edward Evans and his sister Annabel, who are the founders of Transmobility, have a long history of senior care. They and their parents are also the owners of TenderCare Services, a licensed, private pay Nurse Registry. Since moving to Martin County more than 20 years ago, they've been committed to helping seniors live a comfortable, healthy lifestyle. Transmobility is another way they are able to help our senior population.

WENDY MEYERSON VOGELEY

Edward Evans and his sister Annabel are helping seniors live better by offering reliable, safe and flexible transportation with their company, Transmobility.

are in wheelchairs. All of our vehicles are ADA compliant (American's with Disabilities Act). We also wanted to provide a more personal, attentive and flexible mode of transportation as compared to taxis," said Edward.

Here's how it works, you call Transmobility and tell them where you need to go and when. Then sit back, relax and wait for your driver to knock on your door. If you need the driver to wait for you at your destination, they will be happy to do so and if not, you can arrange when you'd like to be picked up. Simple and convenient, Transmobility makes getting around

easy. They even offer special discounts to those who book a certain amount of trips in advance. Call 772-888-6230, visit [www.transmobilityfl.com](http://www.transmobilityfl.com) or email [info@transmobilityfl.com](mailto:info@transmobilityfl.com) for more information.

## WAS THIS SILVER DOLLAR MEANT TO BE A SECRET?

US Mint Quietly Issues **Silver Ike** Dollars in 1971-  
 But Most Americans Never Knew!

The Eisenhower Dollar was released into circulation in 1971. Over 100 million coins were made, but only a fraction-less than 3%-were struck in Silver at the San Francisco Mint. Was it meant to be a secret? Probably not, but with so few made, it can easily be stated that no one knew about it...until now!

### COLLECTORS ALLIANCE DISCOVERS LONG FORGOTTEN HOARD OF 1970S SILVER DOLLARS

- NEVER RELEASED INTO CIRCULATION -

Recently, we located a hoard of a little more than 1,000 uncirculated silver Eisenhower Dollars still packaged in their Original Packaging from the early 1970s. Fewer than 13 million were ever produced, but most have been removed from their original US Mint envelopes. Due to a dip in Silver, we can offer these at the lowest price in years! Don't wait; just over 1,000 pieces are currently available! Sellout expected!
